PERNICI

E' il dettaglio a fare di una grande opera un capolavoro. Nella raffinatezza delle trame, nella cura del particolare, nell'eleganza degli intagli Pernici investe tutte le sue preziose conoscenze, regalando non più semplici candele ma manufatti eccellenti che nobilitano ogni ambiente. Perché "fare bene", per noi di Pernici, non è mai concedersi un lusso.

It is the detail that makes a great work a masterpiece. Pernici invests all its valuable knowledge in the refinement of the design, the attention to detail, and the elegance of the carvings, giving not just simple candles but excellent artefacts that ennoble every environment. "Doing it well" doesn't make it an indulgence for Pernici.
